If the lot is full you may be asked to park at the next lot down. It is a short walk back to the main lot where the awards will be announced. There will be security at this lot should you leave your car there. We apologize for the inconvenience. Feel free to drop off your picnic basket/cooler if you have to park at the next lot down.

Thanks for joining us. We hope you had a great time! We have tried our best to make this rally a safe and enjoyable outing for you. We hope you plan to join us next year for Tulip Rally # 15! It's going to be special!
